Timothy Leary was an American psychologist and writer, known for his advocacy of psychedelic drugs. On September 19, 1966, Leary founded the League for Spiritual Discovery , a religion declaring LSD as its holy sacrament, in part as an unsuccessful attempt to maintain legal status for the use of LSD and other psychedelics for the religion's adherents based on a "freedom of religion" argument.

Hippie - Wikipedia

Drug production, trafficking and consumption affects every country in the world. Despite forty years of US-led international drug control efforts that prioritize eradication of production, interdiction of traffic, and criminalization of consumption, overall drug production, trafficking and consumption have remained consistently steady. Even in cases where eradication programs have lowered ...
