These changes might increase the cost of auto body repair, but there are some upsides. As cars get stronger and smarter, experts expect that they'll last longer, too. Also, new safety technology, like backup cameras and collision warning systems, means that crashes should become less frequent and less serious. Advertisement

5 Futuristic Auto Repair Technologies | HowStuffWorks

35 reviews of Technology Auto Collision "I didn't even have my brand spankin' new car 1 week when some guy rear ended me after having lunch with my friend one day. I was totally crushed, and my bumper wasn't too happy either. When Progressive got in touch with me to get my car fixed they found the closest body shop to me that was one of their recommended shops.
