This is why you remain in the best website to look the incredible ebook to have.

It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Cosmic Consciousness A Study In

Cosmic Consciousness: A study in the evolution of the human mind, edited by Richard Maurice Bucke, Innes and Sons, Philadelphia, 1905; 1st edn. 1901; 342 ff. Cosmic Consciousness: A Study in the Evolution of the ...

Bucke's magnum opus was his book Cosmic Consciousness: A Study in the Evolution of the Human Mind. The book is a compilation of various theories rather than strictly a simple record of his original mystical experience. Bucke borrowed the term "cosmic consciousness" from Edward Carpenter, who had traveled and studied religion in the East.
