Home Media Center Project. This media center has is an attractive addition to a living room set, with a unique sliding top that allows you to access the wiring easily. We've all been through it ... upside down, behind the TV, trying to make sense out of an impossible matrix of wires, coaxial cables, power strips and so forth, the flat-screen TV precariously balancing on the cabinet, rocking dangerously to and fro as you plug and replug wires in the hopes of getting both sound and picture ...
