The student's native language is  
maintained as the reference system in  
the acquisition of the second language.  
Language learners are passive in  
language learning and teachers are  
regarded as an authority, i.e. it is a  
teacher-centered model. The Grammar-  
Translation Method has been facing  
various attacks from reformers.

Fundamental Concepts of Language Teaching is a significant book. Indeed, it has prompted me to make an exception to my career-long personal policy of never writing book reviews. I see it as fundamental for anyone who, in the words of the author, is interested in "the learning of languages other than the mother tongue" (p. 2).
