Intercultural Communication A Critical Introduction

Ingrid Piller has written a short and deliberately critical volume of introduction to Intercultural Communication. It is geared toward students, and attempts to provide them with an up to date view of the field from a strongly sociolinguistic perspective, employing discourse analysis as the principal methodology.

Intercultural communication: A critical introduction

Intercultural communication in real life is embedded in economic, social and cultural globalisation, transnational migration and overseas study. The main challenges of intercultural communication are the linguistic challenges of language learning, the discursive challenges of stereotyping, and the social challenges of inclusion and justice.

Intercultural Communication: A Critical Introduction by ...

Combining perspectives from discourse analysis and sociolinguistics, this introduction provides students with a comprehensive, up-to-date and critical overview of the field of intercultural communication. Ingrid Piller explains communication in context using two main approaches. The first treats cultural identity, difference and similarity as discursive constructions.
