Studies remains the definitive guide to the theories and concepts that make up the field of translation studies. Providing an accessible and up-to-date overview, it has long been the essential textbook on courses worldwide.

## **Introducing Translation Studies: Theories and Applications ...**

"Jeremy Munday's

# Access Free Introducing Translation

Introducing Translation Studies has long been admired for its combination of theoretical rigour and down-to-earth explanation, and this new edition will further confirm its place as the go-to introduction for students and teachers alike. Its further incorporation of ideas from the Chinese context is particularly welcome."
