Leading & managing occupational therapy services : an ...

Read Book Leading Managing Occupational Therapy Services An Evidence Based Approach

Certainly, when we hold roadshows or other events, there is a sense that occupational therapy leadership is lacking in many services. Old structures have been washed away with endless rounds of restructuring or recommissioning of services and many organisations are left with Band 7 as the highest grade, sitting under a nursing or social work directorate.

Why is leadership such a hot topic for occupational ...
