This book offers a different answer, showing that racial and ethnic discrimination can also occur to preserve particular group identities. Shifting Ethnic Boundaries and Inequality in Israel focuses on the early period of Israeli statehood to examine how the European Jewish founders treated Middle Eastern Jewish immigrants. The author argues that, shaped by their own unique encounter with European colonialism, the European Jews were intent on producing Israel as part of the West.

Donald Trump — who founded his campaign on an appeal to white racial anxiety and began his presidency with an immigration policy that discriminates on the basis of national origin — is unlikely to put forth serious policy proposals on reducing racial and ethnic inequality. Instead, many fear that his administration will promote policies that further expand the nation's already vast and ...

conference Race in Britain: Inequality, Identity, Belonging. Organised in collaboration with the Runnymede Trust, the conference took place on 1-2 November 2018, to consider the meaning of citizenship in Britain today, the language used in our society to talk about diversity, and emergent forms of belonging that confronts exclusion and inequality.

**Race in Britain: Inequality, Identity, Belonging**  
How are boundaries created between groups in society? And what do these boundaries have to do with social inequality? In this pioneering collection of original essays, a group of leading scholars helps set the agenda for the sociology of culture by exploring the factors that push us to segregate and integrate and the institutional arrangements that shape classification systems.

By carefully articulating a theory of panethnicity as a process of shaping and shifting group boundaries, collecting data apposite to that theory, and designing demanding empirical tests, Okamoto expertly shows that Americans of diverse Asian backgrounds did not become panethnic overnight and ex nihilo as a passive response to state- constructed racial categories.

**Redefining Race | RSF**  
Ethnic Boundaries in Mexico. Researchers interested in understanding how ethnic and racial categories are socially constructed have frequently used the concept of boundaries (Barth 1969; Tilly 1998, 2005; Lamont 2000; Lamont and Molnár 2002; Alba and Nee 2003; Lee and Bean 2004; Loveman and Muniz 2007; Wimmer 2008a).A social boundary may be broadly defined as any categorical distinction ...
