fundraisers, that aims to collect and provide as many high-quality ebooks as possible. Most of its library consists of public domain titles, but it has other stuff too if you're willing to look around.

Specifications Dufour Yachts

With your hand on the tiller you experience something incredibly rare, a coming together of man, boat and nature that's totally instinctive. Imagine the sound of the hull cutting effortlessly through the water as you steer your course; the feel of the sea breeze pushing past you as you accelerate with the wind in your sails; the sight of the vast ocean and sky as you make headway into the blue.

S# first appeared (that we know of) in TellTales, April 1988, "On a Scale of One to Ten" by A.P. Brooks . The equation incorporates SA/Disp (100% fore triangle) and Disp/length ratios to create a guide to probable boat performance vs. other boats of comparable size. For boats of the same length, generally the higher the S#, the lower the PHRF.

SailboatData.com - ARPEGE 30 (DUFOR) Sailboat

The founder of Dufour was the designer Michel Dufour, in whose honor this brand got its name. The location of the shipyard in La Rochelle, a well-known center of sailing in the west of France, distinguished by long-standing sailing traditions, also played an important role in the rapid development of Dufour.. Her very first model, created a year after the emergence of Dufour Yachts, received ...
