Vision And Supervision - mage.gfolkdev.net

In fact, the word supervision quite literally means the same thing as oversight—the prefix super- means “over” or “above,” and vision is another word for sight. Sometimes, people performing supervision literally watch from above—like a supervisor supervising their employees from an office above the factory floor.

Supervision | Definition of Supervision at Dictionary.com

To slow the spread of COVID-19, some retail and small businesses have limited hours of operations or in some cases have temporarily closed. We encourage you to call your eye care professional to confirm they are open before you seek care.

Superior Vision - Find an eye care professional

Superior Vision does not discriminate against eye care professionals who serve high-risk populations, or specialize in conditions that require costly treatment. Recruitment decisions are made solely on the basis of a practitioner’s qualifications, quality of care, and geographic need of the network.
